Licensed Boat Captain

Chicago Cycleboats - Chicago, IL

\$16 - \$18 an hour - Full-time, Part-time, Temporary

JOB DESCRIPTION:

Chicago will play host to yet another great experience on the Chicago River. We are proud to announce Chicago Cycleboats which is a fun and unique way to experience Chicago on the water. You will captain a boat unlike any other - customers pedal a giant paddle wheel which propels the COI certified vessel down the river.

REQUIRED CREDENTIALS: USCG Master License

DEPARTURE DOCK: Between State St. & Dearborn St. on the Chicago Riverwalk

SCHEDULING: Seeking full-time and part-time captains. You will be required to follow a weekly schedule based on the hours requested and will include weekends.

OPERATION: Tours will operate daily with a 90 minute cruise time (5-7 cruises/day). You will be assisted by a crew member during your cruises.

COMPENSATION: Hourly pay depending on past experience.

EXPERIENCE: Previous captain and customer service experience is preferred as you will be interacting with customers while you captain.

VESSEL DETAILS: Vessel is human powered and is simply operated by customers peddling a device that spins a paddle wheel mounted to the stern of the vessel. There is also an electric outboard motor to assist in docking and emergency situations.

Job Types: Full-time, Part-time, Temporary

Salary: \$16.00 to \$18.00 /hour

Boat Captain (Annual) - Old Town Alexandria

[Entertainment Cruises](#) 158 reviews - Alexandria, VA

Job title: Captain (Alexandria-Potomac Water Taxis)

Department: Operations

FLSA status: Exempt

Reports to: Director of Marine Operations

Job Summary:

Inspired by our commitment to excellence, the maritime team at our Company* creates unforgettable memories for our guests. The successful Captains greet all guests and ensure each guest is attended to in an appropriate manner ensuring consistently high levels of safety, quality, service, and guest satisfaction, while maintaining a high level of profitability.

Essential Functions:

Cruise Execution

- Rotate as cruise captain on cruises and ensure adherence to procedures detailed in the Product Management Guide. This includes thorough pre-cruise preparation, adherence to cruise scripts, supervision of crew, proper piloting of vessel, adherence to all Coast Guard rules and regulations, and guest satisfaction
- Gather pertinent cruise event details from the other departments to ensure special guest requests are fulfilled thereby ensuring complete guest satisfaction
- Conduct pre-cruise meetings and communicate to crew all necessary information regarding the cruise (special needs, boarding procedures, etc.)
- Ensure that staff and guests adhere to all safety standards and procedures
- Participate in the execution of the Safety Program, including emergency drills

- Participate in the proper maintenance of all ship's systems and boarding facilities including but not limited to gangways, diesel, hydraulic, pneumatic, electrical, water (potable, raw, black, and gray), fire suppression, communications, and navigation
- Ensure adherence to Coast Guard rules and regulations, and other federal and local rules and regulations
- Ensure strict compliance to Emergency Response Plan
- Execute other projects as assigned by management

Operations Team Management

- Recruit non-exempt operations staff (crew) when necessary to fill vacant positions
- Deliver training to new crew
- Schedule crew according to staffing matrix
- Adhere to Company's performance management guidelines for all discipline and termination situations
- Recommend to Marine Management the promotion of crew to full-time annual positions
- Develop positive working relationships with city department heads and peers
- Develop strong teamwork within the staff

Guest Service

- Resolve guest problems in conjunction with the on-duty Manager utilizing strong guest service skills and exercising effective communication skills in keeping with company objectives and guest retention
- Oversee the implementation and execution of safety programs in accordance with Coast Guard regulations and established Company policies

Administration

- Complete all shift records: checklist, logbook, payroll, and documentation of safety training
- Ensure that incident reports are completed accurately and promptly
- Participate in administration of payroll system including scheduling, checking, transmitting and processing
- Execute collateral duties as assigned by Marine Management: uniforms, crew training, safety training, recruiting, scheduling crew and routine vessel maintenance
- Schedule crew work periods to achieve maximum payroll efficiency
- Attend all scheduled meetings

Accountabilities:

The successful Captain will personally contribute to the unforgettable guest experience, be favorably viewed by supervisors and peers, and be swift and efficient in the execution of their assigned duties. Performance will be measured by quality, service, safety, management evaluation, and feedback from peers on the city's team and guests.

Job Specifications / qualifications:

- High school diploma or equivalent required
- Must currently possess 100 ton license with a satisfactory record
- Minimum of five (5) years of marine experience—preferably to include two (2) years as a captain with an outstanding record
- Detailed working knowledge of all ship's systems and their proper maintenance: gangways, diesel, hydraulic, pneumatic, electrical, water (potable, raw, black, and gray), fire suppression, communications, and navigation
- Must be able to operate vessel in accordance with all Coast Guard rules and procedures

- Vessel handling and navigation knowledge required
- Able to communicate effectively in oral and written form
- Able to effectively deal with internal and external guests some of whom will require high levels of patience tact and diplomacy
- Ability to establish and maintain effective working relationships
- Ability to analyze and solve problems
- Demonstrated ability to manage multiple priorities/tasks
- Proficient knowledge of Microsoft Office applications (especially Word & Excel)
- Satisfactory comprehensive background check
- Per DOT regulations, must submit to pre-employment and ongoing random drug and alcohol testing
- Per USCG regulations, must be a US Citizen or Permanent Resident
- For purposes of this job description only, references to “Entertainment Cruises Inc.” are to the following subsidiaries of Entertainment Cruises Inc.: Premier Yachts, Inc., Mystic Blue Cruises, Inc., Seadog Ventures, Inc., and Spirit Cruises, LLC.. You are employed by one of these subsidiaries, not by Entertainment Cruises Inc.

BOAT CAPTAINS on BHC's passenger vessels

[BOSTON HARBOR CRUISES23 reviews](#) - Boston, MA 02110 (Central area)

\$15 - \$22 an hour - Full-time, Part-time

BOSTON HARBOR CRUISES:

SEEKING LICENSED BOAT CAPTAINS- full-time or part-time positions available, able to work year round, or at least through October 31 with possibility of year-round.

Seeking mature, detail-oriented, licensed Captains for a variety of vessels. Especially seeking Captains that are willing to work below decks as well as managing a crew. Candidates should have good radar skills, a general knowledge of Boston Harbor and the surrounding Islands, a strong focus on safety and ongoing crew training, and the ability to lead and inspire the crew members to deliver excellent service to passengers.

[Please note: this is a safety-sensitive position, and all candidates are subject to pre-employment drug-screening and a routine background check, and once hired are subject to random drug and alcohol screening.]

Ideal candidates for a Captain position at Boston Harbor Cruises should have one of the following licenses:

- 100 Ton Inland Captain's License (for Commuter Boats, Sightseeing and Private Charters) or 100 Ton Near-coastal Captain's License (for Whale Watching, Provincetown and Offshore Division) OR minimum of a 25 ton license (for BHC Water Taxis).

And also:

- Transportation Workers Identification Credential or TWIC Card.
- Marine Radio Operator Permit.
- CPR / First Aid Certificate.

If you are applying from outside Massachusetts, you must have the ability and means to relocate to the Boston area independently. The company does not provide relocation allowance.

Any candidates for the **BHC Water Taxi** operation: should have excellent interpersonal skills, able to work both independently and as part of a cooperative team. Our busy Water Taxis provide on-call service to passengers traveling within Boston Harbor, with stops in downtown Boston, Charlestown, East Boston, the Seaport District, East Boston, and more. Water Taxi captains earn a competitive hourly wage plus tips.

Captain shifts are primarily during the day and some night shifts as well; however, all applicants are required to work at least one weekend day (Saturday or Sunday) as part of their schedule.

The ability to work both weekend days is a big plus! Candidates must be able to work at least through through to the end of October. Compensation is commensurate with experience, at or above industry level; the hourly range for captains varies from \$15.00 to \$22.00, depending on experience, skill level, and qualifications. The company offers an excellent benefits package.

If interested, please reply to this ad at the email address provided, with your contact information, and a cover letter and resume (preferably in Word or PDF format). Please indicate that you are applying for the position of CAPTAIN. **NO PHONE CALLS, PLEASE.**

BOSTON HARBOR CRUISES (BHC) is the city's most popular operator of water-based tourist excursions and transportation vessels. Whether taking passengers on the New England Aquarium Whale Watch, conducting Historic Cruises of Boston Harbor, making a splash on the "CODZILLA" thrill-boat ride, or carrying visitors out to the Boston Harbor Islands, BHC is dedicated to providing the very best service in the tourism and maritime transportation industries. If you have solid maritime experience, are skilled at leading a crew, and have a positive customer-service mentality, then Boston Harbor Cruises may be just the place for you!

To learn more about our company, please visit our website at www.bostonharborcruises.com.

Boston Harbor Cruises is an Equal Opportunity Employer.

Job Type: Full-time

Salary: \$15.00 to \$22.00 /hour

Experience:

- Boat Captain / Maritime: 1 year (Preferred)

License:

- Captain's license, minimum 25-ton (Required)

Work authorization:

- United States (Required)

IMMEDIATE OPENING for Experienced 100t CREW BOAT CAPTAIN

Rodi Marine - Lafayette, LA 70508

This position is a 14/7 working on a 135' vessel; she is inboard/outboard walk. Currently on long term charter working production out of Fourchon, LA. We offer competitive rates along with some company paid benefits.

Job Type: Full-time

Experience:

- CREWBOAT Captain: 4 years (Required)

Excursion Boat Captain

Vista Fleet - Duluth, MN 55802

\$20 an hour

Captains are expected to operate the vessels of the Vista Fleet to the highest standards of vessel and passenger safety, in full compliance with all Federal, State and Local regulations as well as all Company policies. Captains work with the crew to meet or exceed the passenger service expectations as set forth by management. Captains of the Vista Fleet are a vital and intricate part of the unique nautical passenger experience that the Vista Fleet provides; they greet every passenger that boards and departs the vessel and provide the narration as needed, including safety announcements and special event or passenger announcements. The Captains are expected to set a positive, professional tone for every cruise. Must have a valid 100 Ton GT license and valid TWIC Card.

Uniform

Captains are expected to be in management approved attire when the cruise is ready to board.

The Vista Fleet issues the following free of charge: white epaulet shirt (3), sweater (1), epaulets (1), captain's hat (1), jacket, and tie. Captains are expected to provide their own black pants,

shorts, and/or skirt, appropriate for business casual. Skirts and shorts must be conservative in length and fit, and must not present a safety hazard. No denim is permitted.

- Required Uniform: white epaulet shirt with epaulets, tucked in, with black pants, shorts or skirt, tie (**dinner cruise only**) and clean, low heeled, closed toe, closed heel, rubber soled shoes. Captain's hat must be worn while boarding and off loading passengers. Captain's hat, or management approved Vista Fleet cap may be worn during the cruise.

Responsibilities

- Thorough knowledge and understanding of operation and safety procedures including, but not limited to, general boat operation, proper handling of the lines when leaving and returning to the dock, man overboard, emergency preparedness, and fire containment. Know boat systems, electrical, plumbing, mechanical, etc.
- Follow security policies as directed by the US Coast Guard and Office of Homeland Security. Observe and report any breaches in Homeland Security to the General Manager (CSO).
- Thorough knowledge of services and options the Vista Fleet makes available to its passengers including, but not limited to, menu options, pricing and schedules, or where to get the information.
- Complete all tasks described on the relevant cruise check list in a thorough and timely manner.
- Maintain an accurate ship's log book and radio log.
- Provide an entertaining narration on lunch and dinner cruises, if the safe operation of the vessel is in jeopardy – such as in poor weather conditions, an alternate narrator will be assigned by the Cruise Supervisor so the captain may focus all his/her efforts on the safe operation of the vessel.
- Responsible for upholding Vista Fleet standards.
- Resolve any problems with customers or employees in a professional manner maintaining Vista Fleet standards.
- Maintain a clean work area, uniform and person.
- Must have knowledge of surrounding area and attractions to effectively answer, or find answers for passengers.
- Perform all tasks as directed by the Management Personnel, Owners, or Governing Bodies.
- Keep confidential the business functions of the company including, but not limited to, financial status, passenger information, and employee issues.
- Treat all people in a positive manner with dignity and respect.
- Carry out all duties in a safe manner.
- Properly handle all accidents and medical emergencies as policy dictates with safety as the first concern.
- Supervise employee and customer relations in the absence of a Cruise Supervisor.
- The captain is responsible for the safety and operational performance of all crew members during vessel mooring and emergencies.
- Take responsibility for overall appearance and operation of the vessels. Report any short comings to management.

Necessary Skills

- Proof of valid 100 Ton GT for western end of Lake Superior to operate the Vista Star.
- Proof of valid FCC Marine Radio License, or proof of application for the license.

- Valid CPR and First Aid Administration Certification, or agreement to attend class provided by Vista Fleet.
- Must be able to communicate professionally with passengers and crew.
- Proof of Valid TWIC Card
- Employee must be honest and able to work with little supervision.

Physical Requirements

- Must be at least 21 years of age.
- Must be sure-footed and able to stand/walk on feet for 10 hours or more – not to exceed a 12 hour shift in a 24 hour period.
- Must be able to speak, when appropriate, at loud volume in a clear, understandable voice; hear at a basic level; and communicate in English.
- Must have eyesight enabling vision both near and far.
- Must have ability to write clearly.
- Must be able to bend and move in close quarters, stretch arms overhead, climb stairs, and lift and/or carry up to 30 pounds, and lift engine room hatch.

Job Type: Full-time

Salary: \$20.00 /hour

Location:

- Duluth, MN 55802 (Required)

License:

- 100 Ton GT License (Required)

Work authorization:

- United States (Required)

Captain/Mate - Part-Time (NAWCWD – PTMO)

CARDINAL POINT CAPTAINS INC - Port Hueneme, CA 93043

Part-time

Description:

Summary/Objective

Cardinal Point Captains, Inc. (CPC) is seeking an experienced and qualified individual to serve as Captain or Mate for vessel support services to Naval Air Warfare Center Weapons Division (NAWCWD), Point Mugu, Pacific Targets and Marine Operations (PTMO) division at Naval Base Ventura County in Port Hueneme, CA. This is a Part-Time, On-Call position for surge crew and requires the ability to work in at-sea and/or dockside environments, sometimes at remote locations with occasional over-night assignments. The position operates support and target vessels in support of PTMO requirements. Surge crew requirements fluctuate according to PTMO scheduling, therefore short notice fulfillment of vessel crew can be anticipated. Duties include but are not limited to:

Act as Mate on 65’ and below and occasionally as Captain on vessels of greater than 65’ depending on mission and qualifications.

- Navigation, operating, overseeing, and/or assisting in the operations of assigned vessels.
- Performing regular vessel maintenance, preventative maintenance, and light repairs such as boat checks, fueling, vessel logs, fluid changes, cleaning and more.
- Conducting regular safety drills and training for crew member and junior operators.
- Document vessel-related activities, including information pertaining to safety, training, operations and the safe navigation of the vessel in the Ship’s Log and/or the digital Vessel Information Management System (VIMS).
- Properly mobilize the vessel before each cruise, including cleaning and stocking provisions
- Maintain the safety and well being of the crew and passengers, as well as timely execution of the assigned mission.

Requirements:

Qualifications

Current United States Coast Guard (USCG) 100-ton or greater Master license.

- Active Security Clearance or have had one within the last 7 years.
- Ability to pass background check and physical due to the hazardous at-sea working environment.
- Able to stand for a minimum of 6 hours on wet and moving surfaces in open console vessels with limited protection from wind and seas.

- Possess a minimum of three years' experience with U.S. Navy or USCG small boats within the last ten years.
- Experience in military small craft operations and procedures, specifically high speed rough water operations and vessel at-sea transfer.
- Working knowledge of FCC marine radio licensing requirements and operations procedures, including marine distress communications.
- Current first Aid, CPR and AED certifications.

AAP/EEO Statement

CPC is an EEO employer. All qualified applicants will receive equal consideration for employment without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status.

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.
